**30 August 2018**

**Marine Advisory: 09/2018**

**SUBJECT: Early Submission of the Ship Energy Efficiency Management Plan (SEEMP)  
Part II for Review and Verification**

**Dear Shipowner/Operator/Master:**

The purpose of this Marine Advisory is to remind shipowners and operators that from calendar year 2019, each ship of 5,000 gross tonnage and above shall collect fuel consumption data for 2019 and each subsequent calendar year or portion thereof, as appropriate. A description of the methodology that will be used for collecting and reporting the vessel's fuel data shall be described in the ships SEEMP Part II and verified as compliant on or before 31 December 2018, as required under Regulation 22.2 of MARPOL Annex VI.

Shipowners and operators are encouraged to submit their vessels SEEMP Part II to one of the authorized classification societies or non-classification society verifiers listed in Appendix 1 of **Marine Advisory 01-2018** by **1 October 2018**, or as soon thereafter as possible, for review and verification. Upon satisfactory verification, the Administration will provide a Confirmation of Compliance, which shall be retained on board the ship.

For guidance on developing and submitting the SEEMP Part II, please refer to **Marine Notice POL-009** and **Marine Advisory 01-2018**. For more information on this Marine Advisory, please contact the Technical Division at [technical@lisr.com](mailto:technical@lisr.com) or telephone +1 703 790 3434.
