A. EXPLANATION OF REGISTRATION REQUIREMENTS – Flag Transfer

1. REGISTRATION OF OWNER:

A vessel registered in Liberia must be owned by a Liberian Corporation, Limited Partnership or Limited Liability Company, or by a Foreign Maritime Entity (FME); an entity existing in another jurisdiction and registered in Liberia for the purpose of owning a vessel. Alternatively, a foreign entity may redomicile free into Liberia. Registration process of the owner must be completed with LISCR Corporate dept. (corporate@liscr.com) in advance of the vessel registration. Please allow yourself at least three (3) working days to collect required documents from foreign jurisdictions. LISCR will process documents upon receipt.

Name availability: Please check availability of the intended name of the owning entity, Liberian or foreign, with LISCR Corporate. Corporate Registrar cannot accept a name that is identical or very similar to another entity of any kind that is already on record. Alternatives may be discussed.

Important: *The name in the vessel registration documents and mortgage recording documents has to match the name registered in the Liberian Corporate Registry.*

2. APPLICATION FOR REGISTRATION:

A copy of a duly executed Form RLM-101A.

3. EVIDENCE OF AUTHORITY to register a vessel in Liberia:

A copy of a duly executed and acknowledged Power of Attorney or certified Corporate Resolution authorizing one or more named persons to act on behalf of the owner as attorney-in-fact to execute and submit application for registration of the vessel is required.

Directors and officers of the owner do not have to submit their evidence of authority.

4. PROOF OF OWNERSHIP

A photocopy of a duly executed and acknowledged Bill of Sale stating the name of the applicant as the buyer.

Signature(s) acknowledgement is permitted by a Liberian Special Agent, Liberian Consul, notary public, or other officer authorized to administer oaths by the law where acknowledgment is made. Consularization or apostille are not required by Liberia.

BOS format: Liberia does not require any specific format of BOS. One of the printed forms commonly used by the international maritime community is acceptable (BIMCO, UK/MCA, Norway, Panama etc.).

BOS recording: a photocopy of a duly executed and acknowledged Bill of Sale should be submitted. A certified copy will be provided to the client based upon the copy of the Bill of Sale received.

BOS Not Applicable (Flag Transfer without Change of Ownership): at the time of reflagging, Liberia will accept as proof of ownership a copy of Certificate of Ownership and Encumbrance (COE), or Transcript of Registry, or Certificate of Deletion issued by the previous Flag.

Declaration of non-registration: a copy of a duly executed Declaration of Non-Registration must be submitted in the event there be a gap in time between the date the vessel is delivered to the Owner and the date it registers in the Liberian Registry.

5. DELETION CERTIFICATE:

A photocopy of Certificate of Deletion issued by the previous Flag must be submitted. If Certificate of Deletion is not available at the time of re-flagging into Liberia, then a copy of COE, or a Transcript of Register issued by the previous Flag is required along with undertaking by the Applicant to provide a copy of Certificate of Deletion within thirty (30) days from the date of registration of the vessel in Liberia.
